Experience

CodeAlpha

Jan 2024 – Feb 2024

Frontend Developer – HTML, CSS, JavaScript, Github,

Panipat, India

- Designed and implemented **Responsive Portfolio** for Successfully built and deployed two web-based projects, focusing on user experience and responsiveness.
- Worked in an Agile environment **increasing** developer time significantly over **80%** through the implementation of Organization search functionality to locate specific Organization by name.
- Improved UI/UX design by implementing user-friendly interfaces and modern styling techniques.
- Gained hands-on experience in real-world project development, strengthening Front-end development skills.
- Enhanced problem-solving skills by debugging code, optimizing website performance, and improving functionality.
- Utilized GitHub for version control, ensuring proper documentation, collaboration, and code management .

Projects

Calculator Web App | HTML, CSS ,JavaScript

GitHub

- Developed a fully functional calculator using HTML, CSS, and JavaScript.
- Implemented real-time arithmetic operations,including addition,subtraction, multiplication, and division.
- Used event-driven programming to handle user inputs efficiently and display instant results.

Responsive Portfolio | HTML, CSS, JavaScript

GitHub

- Designed and Developed a Responsive Portfolio Website using HTML, CSS and JavaScript, ensuring a seamless user experience across all devices with a mobile-first approach .
- Implemented Interactive Features such as smooth scrolling , dynamic content loading, and responsive navigation, enhancing usability and engagement.
- Integrated a Contact Form with Real-time Validation using JavaScript,ensuring seamless communication while improving user engagement and responsiveness.

Technical Skills

Programming Languages: C Programming, C++

Front-end Tech: HTML5, CSS, JavaScript, Bootstrap, Tailwind CSS

Version Control: Git, GitHub

Core Subjects: Data Structure and Algorithm, Object Oriented Program , Software engineering

Miscellaneous Design : Graphic Design , UI/UX Design

Achievements

- Solved **400+** problems on coding platform such as **CodeChef** and HackerRank.
- Participated in Coding Competition - Improved problem-solving and logical thinking skills.
- Completed two internship projects at CodeAlpha, gaining hands-on experience in frontend development.

Education

Geeta University

B.Tech : Computer Science And Engineering(CSE)

July 2024- June 2028

CGPA : 7.40
